IMPORTANT NOTICE PLEASE READ

Parents & students should take note of the 2023 Contingency Day. A contingency date is a day specifically set aside, should sustained national or local disruption within the UK arise during the June 2023 examination series. If disruption happens, the examinations could be cancelled for their scheduled day and moved to the contingency day instead. The contingency date for 2023 is Wednesday 28th June. With this in mind, students should be prepared to be available until this contingency date, even though their exam schedule may be set to be completed before this date. Should a student reach the end of their personal exam timetable and have completed all of their scheduled exams then they may dismiss the contingency date. This contingency day would only be used in exceptional circumstances and the examination boards used by GEMS Wellington Academy would only invoke the use of this contingency slot if all other options for the examination to take place as scheduled have been exhausted. In the unlikely event of this slot needing to be used, the Exams Officer will communicate with all students and parents with clear advice and instructions on how to proceed. In the meantime, should you have any further queries, please do not hesitate to contact me e.lewins_wek@gemsedu.com
