THE ACADEMY DIFFERENCE

- ∞ Our leaders and teachers are one of the first groups to receive direct training on neuroscience and how students learn and retain information best.
- ∞ Our students perform above National and International expectations across all subjects.
- ∞ An aspirational multi-cultural learning community which embraces the use of world-class facilities and specialist teaching.
- ∞ An extensive offer of enrichment and wellbeing activities both within and beyond the curriculum.

THE EARLY YEARS CENTRE

At The Academy, our Early Years Centre is based upon the latest research in child development. Our specialist Early Years Teachers know exactly how to engage and inspire our youngest students through purposeful play in order to maximise their learning potential.

EXTENDED CARE

An exciting and engaging extended care programme for our Primary pupils which builds on the key skills that form the foundations of child development, free of charge.

The Academy provides the option for students in FS to stay until 3:00pm each day. Students will be provided with a mixture of educational activities and opportunities for more outdoor play

YEAR 6 TRANSITION HUB

The purpose-built transition hub helps our Y6 students develop dreams for their future at The Academy through enrichment programmes, specialist lessons and broad curriculum opportunities.

POST 16 OFFERINGS
