Key Stage 4 & 5 – Trip to NASA

Dear Parents,

We are delighted to present an incredible opportunity for our students to participate in a exciting adventure trip to Kennedy Space Centre in Florida. Designed with an interest in space and space engineering in mind, this excursion promises an unforgettable experience at the Kennedy Space Centre and Florida itself.

The STEM trip to NASA offers a unique blend of adventure, physical activity, and space exploration. It will be an invaluable experience for your child's personal and educational growth. Our carefully planned itinerary includes not only workshops spent at the Space Centre but also a range of engaging activities such as Walt Disney world and Universal Studios. Students will have the chance to bond, make lasting memories, and broaden their horizons.

The details are as follows:

Dates: 17th to 23rd June 2024

Trip Leader: Janine O'Neill (J.oneill_wek@gemsedu.com)

Year Groups: 10, 11, 12, 13
