LIMITLESS LEARNING

Premium British Education Nurturing Academic Excellence

GEMS Wellington Academy – Al Khail is a Premium British Curriculum School located in the heart of the Dubai Hills Community. We offer the National Curriculum for England from Nursery to Year 13 adapted to the context of the United Arab Emirates and incorporating best practice from across the globe.

THE ACADEMY DIFFERENCE

- ◆ Our leaders and teachers are early adoptors in receiving direct training on cognitive science for optimising students' learning and memory retention.
- ◆ Our students perform above National and International expectations across all subjects.
- ◆ An aspirational multi-cultural learning community which embraces the use of world-class facilities and specialist teaching.
- ◆ An extensive range of curriculum-based and extracurricular activities to enhance student well-being and enrichment.

The Early Years Centre

The latest child development research shapes our early years centre, led by specialist teachers inspiring purposeful play and maximising learning potential for 2-5 year-olds.

Extended Care

Families are offered the option of extended care for Foundation Stage with educational and outdoor activities until 3pm.

Year 6 Transition Hub

Our purpose-built transition hub empowers Year 6 students to envision their future through enrichment programmes, specialised lessons and a diverse curriculum.

Post 16 Offerings

A purpose-built Post 16 Centre with a stimulating core enrichment programme linked to businesses and universities.

The Academy provides a broad range of options including industry placements in Biomedical Science, Computer Science and Entrepreneurship. Students benefit from an on-site careers and university advisor with expertise of universities and alternative pathways around the globe.

University-Level Innovation Programmes

Our exciting innovation curriculum prepares students best for a future that is in constant change.

Programmes: Global Futures Curriculum, Awecademy, the Academy Honours programme and more.

Performance Sports Academies

Our Swimming Centre of Excellence and Tennis Performance Centre offer bespoke curriculum pathways to elite athletes with pastoral care and support.

Our Performance Football Centre provides talented young footballers from years 3-12 a holistic full time student athlete programme. Sports therapy, sports psychology and nutritional support are all available as part of our performance programmes.
