Year 7 Adventure Centre Residential Trip
27th-28th September or 4th-5th October

Dear Parent/Guardian,

We are excited to announce the 1 night (2 days) residential trip for Year 7 students will be at The Adventure Centre, Hatta. The trip will take place from 27th-28th September or 4th-5th October. The exact dates of the trip will depend on their form group and will be shared at the beginning of the next academic year. The Adventure Centre are a well-established outdoor adventure provider with the highest levels of quality, qualifications and safety. The trip includes all transport, accommodation, food and activities. Students who wish to attend the trip will be given the opportunity to take part in a range of activities. These include kayaking, raft building, rock climbing, archery and more! Residential outdoor educational trips are not only exciting, but they give students the chance to build confidence, independence and teamwork skills, alongside complimenting their work within the curriculum. This is a great opportunity for your child and we really look forward to seeing them there. The trip is not compulsory and if you do not wish for your child to attend the trip they will remain in school on their normal timetable.

Important information:
