

## **More and Exceptional Able Policy**

### **1. Vision and Aims**

To provide a positive and exciting learning environment that encourages children of all abilities to take responsibility for their own learning and personal development. We acknowledge, though, that within our cohort are those students who can be identified as more able and/or exceptionally able – those students whose characteristics and learning behaviours indicate:

- they are performing significantly above their peers OR
- have the potential to perform significantly above their peers.

GEMS Wellington Academy Al Khail acknowledges that these students will require additional targeted support to ensure their performance is maximised to:

- ensure that all MEA students are clearly identified and known to all staff
- ensure that the academy caters for the needs of the full ability range both within and beyond the curriculum and that the performance of more able students is translated into high achievement and learning attributes that will ensure personal success and/or benefits to the wider community;
- raise aspirations of all students through a academy ethos of high achievement, high performance learning behaviours and challenging learning opportunities;
- provide an inspiration to other students through appropriate student role models.

#### **To achieve these aims, the academy will:**

- assign one Senior Leader to ensure accountability
- assign the Director of Inclusion to lead on developing provision
- work with the departmental inclusion champions to disseminate information and training
- apply a variety of methods to ensure MEA students are identified
- continue to develop a whole academy enrichment programme which will provide opportunities for students to maximise their potential
- promote and develop higher order thinking skills and personalised and differentiated learning across the curriculum in line with the High-Performance Learning (HPL) advanced cognitive characteristics and values attitudes and attributes
- provide a programme of CPD for staff
- implement a cycle of monitoring to review the effectiveness of the academy's provision
- offer parental engagement opportunities during the academic year.

## Supporting UAE Vision (The UAE National Agenda)

The United Arab Emirates Vision 2021 has education as its foundation, both explicitly and implicitly.

Vision 2021 includes aspirations for citizenship, a spirit of entrepreneurship, enhanced educational attainment, and a knowledge-based economy driven by innovation, research, science and technology.

The realisation of these aspirations requires a world-class education system, responsive to national needs and aligned to international standards.

The academy believes that our students achieve beyond limits and our MEA provision supports enhanced educational attainment as part of the UAE Vision 2021.

## **2. Definitions**

Within the academy we use the terms *More Able* and *Exceptionally Able* Students.

**'More Able'** defines those students who have demonstrated uncommonly high **potential** knowledge and/or skills in one academic or non-academic area of experience.

**'Exceptionally Able'** are students who possess exceptional ability in **most or many areas** of experience.

## **3. Identification of 'more able' and 'exceptionally able' students**

More and Exceptionally Able (MEA) students will present with different learning behaviours and attributes, they are likely to have their own particular area(s) of more or exceptional ability. Therefore, multiple criteria must be used in the identification of MEA students, and data should be gathered from a range of sources. A student should be evidenced as meeting three or more of the following criteria.

The MEA provision at the academy encompasses the range of attributes and behaviours that pupils might display. The MEA pathway sets clear criteria for identification of students in English, Mathematics, Science, Arabic, Islamic, PE, Art, Music, Drama, DT Modern Foreign Languages and Computing.

GEMS Wellington Academy Al Khail MEA provision states the requirements, identification, use of data and enhanced provision in each subject area.

- Quality First Teaching
- Additional, and different, in-academy provision
- Wider opportunities

## Identification Criteria

### Academic

- Standardised assessment scores – students are identified using CAT 4 assessment data.

Mean SAS	127>
SAS in one battery	120>

- Identification of more able sixth form students is also based on average point score at GCSE and UMS at AS Level

### Talented

- Areas of Arts, Music and Sports.
- Identified through development squads and academies
- Referral by teachers of students with potential.
- Anecdotal information, especially relating to arts, sports or out of academy activities

### Pastoral

- PASS reflecting positive data for *pupil attitudes to self and academy*
- Anecdotal information, especially relating to arts, sports or out of academy activities

### English Language Learners:

It is important to be aware of ELL students (English Language Learners), who may not yet have a sufficient command of the English language, are not easily identifiable as a MEA learners.

### Dual and Multiple Exceptionality (DME)

This term is used to describe those students who have one or more special educational needs and disabilities and are also MEA students.

## 4. Provision

### Quality-First Teaching

- The use of groupings and roles within groups to support MEA students
- Adding breadth (for example, enrichment through broader range of tasks and resources)
- Increasing depth (for example, extension through complexity)
- The promotion of higher order thinking skills through tasks through the implementation of the HPL advanced cognitive performance characteristics (ACPs)
- Opportunities to transfer skills across curriculum areas and within real life contexts through the implementation of the HPL values, attributes and attitudes (VAAs)
- Differentiation and questioning within subject areas to ensure the stretch and challenge of all students

**Additional, and different, in-academy provision**

- Extra-curricular activities for all students
- Development of student leadership skills
- The Teacher Lecture Series (TLS)
- Where appropriate, the academy will support students and parents by inviting outside agencies to provide additional provisions
- The GEMS network of schools will develop intra-academy links to provide additional opportunities for students to interact with students who share the same interests/ have similar subject strengths
- Opportunities to develop enhanced higher levels of entrepreneurialism and social responsibility.

**Wider Opportunities**

- Links to UAE Vision 2021
- Wider community impact and intention
- Broad range of opportunities to work with external organisations such as World Scholars' Cup, MUN, UK Maths Challenge, Trinity College London, COBIS and BSME
- The GEMS network of schools will develop inter-academy links
- Opportunities to work beyond the GEMS organisation on quality competitions and wider community and charitable opportunities
- External accreditation (*such as HPL, Wellbeing and the International Inclusion accreditation*)

**5. Reviewing the Register**

The register is continuously updated throughout the academic year to ensure that it remains current and reflective of the needs of students. All staff have the responsibility to recognise and communicate a student's potential to the student, subject leader and Head of Inclusion.

**6. Responsibility**

This role will involve:

- collating the register
- reviewing termly the progress of students
- reviewing the curriculum offer to ensure it is meeting the needs of the students
- reviewing the in-academy enrichment programme
- ensuring that the academy's CPD programme includes relevant aspects of provision
- ensuring that all staff are aware of the MEA cohort and their target levels

## **7. Training and Resources**

Training sessions are facilitated to ensure that all staff are aware of the learning needs of MEA students and are able to support them fully. Training is delivered, via staff CPD, publications and a number of whole academy training sessions. During induction new staff will be informed of the MEA policy, provision and practice within GEMS Wellington Academy Al Khail.

## **8. GEMS Wellington Academy Al Khail MEA Evaluation and Development**

The Inclusion Team, at the academy will meet termly to share and further develop good practice, and to keep up to date with local and national incentives and opportunities which will add to the Academy's MEA provision.

## **9. Storing and Managing Information**

Inclusion information is stored on the academy management system and complies with the GEMS Data Protection Policy.

## **10. Reviewing the Policy**

The MEA Policy will be reviewed annually by the SLT member in charge of Inclusion and SENCOS to ensure that the guidance provided is up to date with best international practice.

**Review Date:** June 2023

**Completed:** Director of Inclusion, Vice Principal Assessment, SLT, Heads of Department

**Next review:** June 2024
